

To: Companies Distributing Fertilizer in New Hampshire

From: Richard B. Uncles, Bureau of Markets Supervisor

Subject: Semi-Annual Tonnage Reports

Enclosed for your use are forms on which to report fertilizer tonnage distributed in the state of New Hampshire for the period July 1, 2003 through December 31, 2003. The New Hampshire Fertilizer Law, under RSA 431:6, requires that the semi-annual tonnage report and the payment of inspection fees shall be filed and paid within 30 days of the close of the period and are therefore due by January 30, 2004.

The inspection fee of 20 cents per ton with a minimum fee of \$5 should be made payable to the **"Treasurer, State of New Hampshire"**, and should be mailed with the completed report to the following address:

New Hampshire Department of Agriculture, Markets & Food
Bureau of Markets
PO Box 2042
Concord, NH 03302-2042

Firms which have registered fertilizer products are required to provide a completed report. Those firms which report zero tonnage for a period should provide the minimum \$5 fee.

Please contact this office if you should have any questions about the fertilizer reporting requirements. Thank you for your cooperation.
